Honorable Cameron Sexton
Speaker of the Tennessee House of Representatives
425 5th Avenue North
Suite 600 Cordell Hull Bldg.
Nashville, TN 37243

Dear Mr. Speaker,

The U.S. Census Bureau released the 2020 Census resident population for the United States and each state today. The resident population for the United States is reported as 331,449,281. The resident population for Tennessee is reported as 6,910,840. Tennessee will maintain nine (9) congressional districts. Based on today's release, the 2020 ideal populations for districts in Tennessee are:

Tennessee House	=	69,806
Tennessee Senate	=	209,419
US House	=	767,871

As a point of reference, the resident population for Tennessee after the 2010 Census was 6,346,105. The 2010 ideal populations for districts were:

Tennessee House	=	64,102
Tennessee Senate	=	192,306
US House	=	705,123

The U.S. Census Bureau currently anticipates the release of the state level redistricting data in mid-to-late August 2021. Should you have any questions, please let me know.

Sincerely,

Douglas D. Himes
House Ethics Counsel
